

WORLD ARCHERY ELITE COACHING SEMINAR 2020

Sunday 25 October and Wednesday 25 November

World Archery's four-yearly seminar for elite and performance pathway coaches is going virtual in 2020. Participants will log in to an online portal to access lectures from renowned archery experts and interactive discussions. The two-day programme includes topics like:

- Tips and tricks for recurve and compound tuning.
- Proper preparation for the shooting sequence.
- Using ARTEMIS, RyngDyng, Mantis X8 and data analytics in coaching.
- The differences between coaching recurve and compound archers.

Register **for free** through your national archery federation.
